

LIFT EVERY VOICE AND SING

James Weldon Johnson

LIFT EVERY VOICE
J. Rosamond Johnson

1 Lift every voice and sing, till earth and sea, till every mountain and hill, till the deep swell of the song, till the world shall ring.

2 Sing with the low in the day when the sun is bright, sing with the high in the night when the stars are bright, sing with the low in the day when the sun is bright, sing with the high in the night when the stars are bright.

3 Lift every voice and sing, till earth and sea, till every mountain and hill, till the deep swell of the song, till the world shall ring.

4 Sing with the low in the day when the sun is bright, sing with the high in the night when the stars are bright, sing with the low in the day when the sun is bright, sing with the high in the night when the stars are bright.
